

Directions

Our offices are located in the center of Bergisch Gladbach and are easily reached by car or public transit. If you have any questions for the directions you can contact us at (+49) 2202 2399 0 or info@menten.com.

We are happy to help you with accommodations; we can send you a list of recommended hotels and/or make reservations for you.

Travel by bus or train:

If you use the public transit you will have to start at Cologne central station. From there on you take the **S11** which leaves every 20 minutes from platform 10 directed to **Bergisch Gladbach**. When you reach your destination, the bus station is directly beneath the train platform.

From the train station it is only a few minutes before you reach our offices: Cross the bus station and walk towards the **RheinBerg Galerie** (shopping center). Pass the RheinBerg Galerie on its left side and walk towards **TK MAXX**. The menten GmbH is in the same building as the TK MAXX. You will find the entrance a few meters on the right of the **TK MAXX** entrance. Our offices are located in the third floor.

Parking lots

If you plan to arrive by car, we recommend the following possibilities to park your car:

- Parking garage of the RheinBerg Galerie (enter via the Stationsstraße, a lift is available)
- Underground car park Gohrsmühle (Enter from a little branch, directly after the intersection Poststraße/an der Gohrsmühle)
